7:55 PM **Karen**: What's going on, why didn't you call me back?
7:56 PM **me**: will do so, I'm extremely busy corresponding with a couple of folks while trying to complete this column for Skeptical Inquirer
do you have something specific or just calling to chat?
Karen: just chatting -- sorry, isn't that enough for a mother?
me: of course, I'll call you in a few minutes, just need to finish this e-mail
Karen: EXCUUUUUSE Me!
me: very good
7:57 PM that's a little out of date
Karen: I know, but so am I.
Just call me tomorrow, will be free most of the day. Love you.
me: I don't think many people think that Steve Martin bit was funny enough to do it over and over several decades later
okay, I'll call tomorrow
love ya
